Price - 200/- Rs.

Managing Director's Message

"Education is not the amount of information that is put into your brain and runs not there undigested all your life. We must have life-building, Man-making, character making assimilation of ideas. If you have assimilated five ideas and made them your life and character, you have more education than any man who has got by heart & whole library."

Swami Vivekanand

At Deshmukh College of Nursing Welcome you to the road to the success and a rewarding career. Career that not only shall help you earn but at the same time shall offer an opportunity to serve humanity and to be a part of the noblest service and profession on the earth. Training is also geared to prepare graduate nurses to have the ability to approach health care from a broader and deeper knowledge base and from a greater capacity to apply analytic, synthetic and interpretative skills to their role.

Best of luck for being a better human....

Dr. Shripad Deshmukh

(MBBS, DCH, PGDN)

(GOLD MEDALIST)

Principal's Message

It is a humble beginning with batch of 30 Students for P.B.B.Sc. (N) & 40 Students for B.Sc. nursing course in 2018 at Deshmukh College of Nursing an initiative of Deshmukh Hospital & research Centre, Ujjain. We will add new dimensions to the existing educational programs. Nursing is the process of recognising, understanding & meeting the changing needs of an individual, family or community & is based on scientific knowledge. We provide the systematic training for nurses in such a way as to help them gain independence as rapidly as possible. To select prospective candidates for this challenging profession we are mainly concerned about their suitability. Therefore we select emotionally stable students by personality testing prior to the admission so that nurses undergo an intensive training for taking care of patients.

I, on my own and behalf of the managing committee assure you that the best possible efforts shall be made to maintain the highest standards of education and training and it is very sincerely hoped that the students graduating from the college shall be well trained and successful professionals and prove to be a boon to the society.

We wish all of you a successful and rewarding career and comfortable stay in The college.

Principal

Deshmukh College of Nursing

About the Hospital

Deshmukh Hospital and Research Centre, Ujjain is an institution which delivers quality medicare to the rural poor and urban people. This Hospital stands as a majestic landmark on Indore-Ujjain State High way at Nanakheda, Ujjain, M.P. We are a 100 bed multi-specialty hospital functioning round the clock to serve the needy at large. After completing its many years of service, the Management desired to start a “College of

Nursing” to fill the gap of staff. Thus was started our “Deshmukh College of Nursing” The College is as per the norms of recognized by the appropriate authorities. The College is affiliated to the Madhya Pradesh Medical Science University, Jabalpur, M.P. Madhya Pradesh Nurses Registration Council .

Philosophy

The Institution seeks to make a qualitative contribution to health care, medical education and research through the training of paramedical, nursing, health management, community health workers, and other personnel who are dedicated to healing. The College and Hospital is intended to assist in the training and to render service in health care to all people irrespective of religion, caste or community. We recognise, understand & meet the changing needs of an individual, family & community which are based on scientific knowledge & new trends.

Vision

The vision of the college is to nurture integrity, creativity, academic freedom & holistic environment to serve the humanity with dedication.

Mission

Our mission is to prepare Nurses to assume responsibilities as nurse specialists, consultant, educator, and administrator and care provider and create a scientific environment based on “Evidenced Based Practice” and enabling them to get job opportunities for economically better position at national and international level.

OBJECTIVES

The objectives of the Institution are grouped as follows:

1. Excellence in all fields of health care education.
2. A genuine feeling of compassion for the patients and their families as persons.'
3. To prepare nurses who can make independent decisions in nursing situations.
4. Protect the right of patient & facilitate individual & community participation.
5. To promote & strengthen the nursing skills for better competence in the nursing profession.
6. To demonstrate leadership & management skills in clinical /community health settings.
7. To utilize the latest technology in providing health care.
